The BioMed Realty Difference

BioMed Realty, a Blackstone Real Estate portfolio company, is a leading provider of real estate solutions to the life science and technology industries. BioMed owns and operates high quality life science real estate comprising 16.3 million square feet concentrated in leading innovation markets throughout the United States and United Kingdom, including Boston/Cambridge, San Francisco, San Diego, Seattle, Boulder, and Cambridge, U.K. In addition, BioMed maintains a premier development platform with 2.5 million square feet of Class A properties in active construction to meet the growing demand of the life science industry.

We are fortunate to have a world-class sponsor in Blackstone, a strong believer of long-term market fundamentals of the life science industry. Since 2016, Blackstone and BMR have been actively investing in developing, modernizing, and expanding research facilities in our core innovation markets. Blackstone's conviction means we can also provide a substantial community benefit.
